

Name product Wide Plank

Description product Wide Plank son listones de gran formato con estabilidad altamente fiable. A la superficie de la madera maciza incorporamos un tablero multicapa (2 layers) o un tablero multicapa y otra capa maciza (3 layers), para equilibrar el comportamiento de la madera noble y evitar tensionados. Nuestra opción para áreas extensas y lofts.

Use Indoor installation

In compliance with the provisions of European Regulation (EU) No.305/2011 and system validation and verification of regularity 3, under Annex ZA of the harmonized standard EN 14342: 2005 + A1 2008.

Product type determination was performed, based on tests conducted in certificated laboratories, maintaining the regularity of the product through the production process performed in the factory.

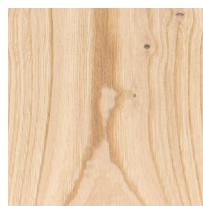

This certificate is issued under the control of the production process at the factory:

Specifications	Width	190 mm up to 320 mm
	Length	Up to 3200+
	Thickness	From 14 mm up to 20 mm

Performance stated

Class of reaction to fire, in relation to:	Dfl-S1	EN 14342:2005 + A1 2008
Minimum average density (Kg/m ³)	710	
Width (mm)	260	
Overall (mm)	19	
Top layer thickness (mm)	4	
Length (mm)	1800 to 3200	
Formaldehyde emission class	Class E1	EN 14342:2005 + A1 2008
Slipperiness (USRV)	>45	UNE ENV 12633:2003
Thermal Conductivity (W/mk)	0,1470	EN 14342:2005 + A1 2008
Biological durability	0,1470	EN 14342:2005 + A1 2008
